

Employment Services

Immigrant Services Kingston and Area – ISKA has a special partnership with Kingston Employment and Youth Services (KEYS) to provide employment services to immigrants and newcomers. Our Employment Liaison can help you get ready to look for a job, prepare a résumé and cover letter, offer you interview tips and direct you to other employment agencies and services to best fit your employment needs.

ISKA's Employment Liaison will meet with you individually and can help you understand how to get recognition for your past education, training and work experience.

KEYS has a large resource centre that includes computers, job search resources, postings of available jobs and staff to assist you.

To make an appointment with our Employment Liaison contact:

Jude at 613-544-4661 or email judew@iska.kchc.ca
